

CEDAR MULTI-USE BOX KIT

The Pergola Depot Cedar Planter Box Kit is made from 100% Western Red Cedar. The cedar is planed for a smooth finish on all sides and includes natural knotting and grain. This makes for a beautiful natural box with a rustic look that can be used for planting flowers and vegetables, storing firewood or a variety of other uses.

CEDAR BOX KIT FEATURES

- Western Red Cedar
- Notched 2x4 sides
- 3 popular sizes
- 2x4 legs
- Installation Instructions
- 1x2 floor boards
- Stainless steel hardware
- 2x4 floor supports

MULTI-USE BOX

All sizes include notched 2×4 sides, 2×4 legs, 1×2 floor boards and 2×4 floor supports to allow for a sturdy box and an adjustable floor height. The Cedar is planed for a smooth finish on all sides and includes natural knotting and grain. The floor boards are designed to fit loosely inside the box, to allow for drainage. Floor boards and supports are not planed. Assembly is made easy with notched corners and star head stainless steel screws.

Size	Outside Dimensions	Inside Dimensions	Total Volume	Packaged Weight
Small	30" L x 16" W x 15"H	27" L x 13.25" W x 13"H	Approximately 2.7 cubic feet; about 20 gallon	Approximately 36 lbs
