

BIG KAHUNA SOLAR-READY™ PERGOLA KIT

Want to help your customers harness the power of the sun with a stand-alone solution? Introducing our Big Kahuna Solar-Ready Pergola Kit. It's versatile, allowing it to be used as a patio pergola, outdoor kitchen cover, or carport. Plus, it's engineered to handle even the strongest winds, up to 160 MPH. Perfect for solar contractors looking to expand their offerings, we'll take care of building the kit while you bring the panels and install the pergola and solar system for your customers. Make capturing the sun a breeze with our ready-to-assemble pergola kit.
